Research readiness measures whether issuer-level analysis is ready for human review; it does not measure investment attractiveness or authorize a trade. / 研究就绪仅表示发行人层面分析可供人工审阅，不代表投资吸引力，也不授权交易。

QA conclusion / 质量检查结论

Schema 5.0.0; contract hash eb20dfccfd27d71a; One-Page, Full Report, and Evidence Appendix are rendered from this same validated object. / 一页摘要、完整报告及证据附录均由同一个已验证对象生成。

Date and Period Boundary / 日期与期间边界

Financial statement date: 2026-03-31
Market price date: 2026-07-15
Share-count date: 2026-04-23
Subsequent-event review through: 2026-07-16

The 2026-04-23 cover-page share count is used. Public subsequent-event review through 2026-07-16 did not produce a validated quantified later share count; future repurchases or equity-plan activity are not incorporated. / 采用2026-04-23封面页股数；截至2026-07-16的公开后续事项复核未获得经验证的后续量化股数，未来回购或股权计划活动未纳入。
